

MDH INTERNATIONAL SCHOOL, DWARKA
HOLIDAY HOMEWORK (2023-2024)
Class: V
THEME –HAPPINESS AND DESH BHAKTI

Dear Students,

The much-awaited holidays are at our doorsteps. Holidays are a well-deserved opportunity to relax and rewind by indulging in activities that are pleasurable at the same time educative. It's time to play and have fun!!

We have planned for you some fun activities to make the optimum use of your energy and give a vent to your creativity so that you can continue learning during the holiday break as well.

- Parents are requested to encourage their ward to do the homework independently.
- Creativity and originality of the work will be appreciated.
- Homework should be done neatly on A4 size coloured sheets.
- Work should be done neatly and carefully as it will be duly marked as a part of your ASSESSMENT.
- Holiday homework should be submitted in the first week of July.

Wishing You All A Very Enjoyable Summer Break!

Happy Holidays!!!!!!!

ENGLISH:

It has been rightly said that books are our friends. They give us knowledge and experience. Enjoy this experience with your family members and make it a happy and enjoyable hour.

I. Read any one book given below:

a) Little Women by Louisa May Alcott

b) Oliver Twist by Charles Dickens

c) One Hundred one Dalmatians by Dodie Smith

i) Make a beautiful and attractive book cover.

ii) Write a brief summary of the story mentioning the key characters

II. Create your own memory book of the best moments of the summer break.

For each memory write few lines expressing your thoughts toward the importance of creating memories.

Paste relevant images as well.

Use colourful A3 size sheets for the same.

Decorate your memory book with a colourful cover page.

हिंदी

1- अपने देश की किसी प्रसिद्ध एवं महान व्यक्तियों की सफलता की कहानी पढ़िए और कहानी पढ़कर आपको कैसा लगा तथा उस कहानी से आपको क्या प्रेरणा मिलती है? उस महान व्यक्ति की दिनचर्या के बारे में जानकारी एकत्रित करके चित्र सहित परियोजना तैयार कीजिए ।

2- आजकल हमारे पेड़ों की अंधाधुंध कटाई के कारण हमारे वातावरण का संतुलन बिगड़ गया है , जिससे ग्लोबल वार्मिंग की समस्या बढ़ गई है । इसलिए 'वृक्षारोपण के महत्व ' को लेकर हम समाज

को कैसे जागरूक कर सकते हैं ? इसके बारे में एक स्वरचित कविता लिखिए और एक विज्ञापन तैयार कीजिए ।

MATHS

Every drop of water on the planet is precious. Fresh water is crucial for drinking, washing and growing food. But the increasing population may push the planet towards a thirstier future. It has been predicted that by 2050, half of the World's population may no longer have safe drinking water. To manage competing demands for freshwater we should work with nature rather than against it.

- A) Use water bill and find out the consumption of water per person in your family. Research and compare the consumption of water of four different families (on A-4 sheet) .
- b) Suggest any two ways of conserving water so that we have sufficient water by 2050.

SOCIAL SCIENCE:

I. Currently the United Nations does not observe a World Animal Day. Do you think that it should become an International Day of Importance. Should it be added to the United Nations list? Write your reasons in 8-10 sentences.

III. Make a card for yourself and write about the strength or good qualities within you that you really appreciate and the weakness that you want to overcome in future in near about 100 words on A4 size sheet.

IV. Project:

- Showing your creativity, depict Major Landforms. (Refer below picture or use your own creativity)

Landforms include oceans, rivers, valleys, plateaus, mountains, plains, hills and glaciers.

- You can create your own landforms with the help of clay.
- Label the different things that can occur on different landforms too.
